Dear Nicky,

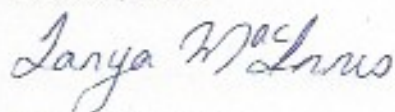

On behalf of the Royal Victoria Hospital Wellness Committee, I would like to extend our sincere appreciation for your participation in our 2005 Wellness Week and we hope that you found this event to be helpful to the promotion of your services. We also sincerely appreciate your generous donation of a gift for our daily staff draws.

The Royal Victoria Hospital Healthy Workplace Week was supported by Health Canada and the National Quality Institute. Healthy Workplace Week was dedicated to promoting comprehensive workplace health in Canada.

Two of the key reasons for our success of Wellness Week this year have been your generosity and donation of time. The support from the public helps us to meet the goal of sustaining "exceptional people" through the support of our employees and to provide "exceptional care" for our patients.

Once again, we, the Wellness Committee, would like to take the opportunity to thank you for attending our Wellness Day at the Royal Victoria Hospital. We truly appreciated all your efforts in assisting our staff to achieve a greater work-life balance.

Best regards,

Tanya MacInnis
