Barrie, ON L4N 5R7

Dear Friend,

On behalf of the entire Royal Victoria Hospital family, we want to thank you for your donation towards our auction for the 2010 **Crystal Classic**. Without caring donors like you, the success of this event would not be possible.

The 23rd annual Crystal Classic, held June 6th and 7th, was another huge success raising more than \$155,000 for Royal Victoria Hospital.

Presented by BMO Bank of Montreal, this event has raised nearly \$2 million for Royal Victoria Hospital over the years. More recently, funds from the event support the Phase 1 Expansion Project, which includes the Simcoe Muskoka Regional Cancer Centre. This redevelopment, the largest capital project in the region's history, will double the size of the existing hospital and is already more than 40 per cent complete.

The **Crystal Classic** is one of the largest, most prestigious and successful gala and golf tournaments in the area. It is support from people like you who are making the dream of an expanded RVH a reality – providing the people of Barrie, Simcoe County and the District of Muskoka with quality care, closer to home.

With your help, RVH can face the many challenges ahead and continue its proud tradition of caring excellence – a tradition that we live every day and is embodied in our slogan...

Exceptional People, Exceptional Care!

Thank you for BELIEVING!

With sincere appreciation,

Suzanne Legue
Senior Director, RVH Corporate Communications
