Firoza,

On behalf of the RVH Foundation Board of Directors, and indeed the entire community, I would like to thank Spa Lumina and its supporters for helping Regional Cancer Centre and Expansion.

Royal Victoria Hospital Foundation receives a lot of support from community minded people like you and we are so pleased and grateful that you have chosen your hospital as the beneficiary of funds. Your event helps build the future of health care in this region and has helped to raise awareness of RVH's needs and ultimately, helps keep care closer to home.

This kind of support is critical to us as we significantly expand the hospital and develop a regional cancer centre. Generous, giving people who care for others - like you - are valued partners in realizing a dream of an improved and expanded healthcare service for residents of Simcoe County and Muskoka and your support of our dream is appreciated very much.

Thank you so much again for choosing to make a difference at RVH.

Thank you for your great service which helps us to demonstrate our slogan ...

Exceptional People, Exceptional Care

Sincerely,

Jane Cocking
